

WIND

Welcome to the Haldimand Community Power Co-operative Inc. We are based in Haldimand County in southern Ontario, Canada.

Our Co-op has three wind projects totalling approximately 30 MW. These projects are currently in the planning and development stages.

GREEN FACT

These projects are the equivalent to taking approximately 3,300³ cars off the road, which would be equal to 9,300⁴ tonnes of carbon emissions **NOT** going to our environment.

One-time membership in this Co-op costs

\$500

Call us today, to discuss your membership opportunity.
